SUBJECT: ListServ Message #76: Quota met for PARCC Diagnostic Reviewers

Yesterday, CCSS ListServ Message #75 was sent out requesting educators to assist with PARCC work. As of today, Melody Morgan, ADE Director of Student Assessment, has received numerous emails from educators that are interested in doing the work.

The Office of Student Assessment is impressed with the interest and willingness of educators in our state, though not surprised. On a daily basis, our educators are showing their greatness!

Although we know many more educators are likely willing to commit to this work in our state, the Office of Student Assessment can not accept any additional nominations/recommendations because of the large response already received.

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
